

Detech

Consulting &
Solutions Ltd.

Introduction

A Visionary Team

Imagination, innovation, creativity, farsightedness and intuition are the core values of our team members.

Detech Consulting & Solutions Ltd was established to provide quality advisory and consulting services to individuals who are looking to come to Canada on a permanent or temporary basis via immigration, education, employment and tourism. Moving to a new country usually marks the beginning of a new lease of life for most people but the visa process could be exhausting.

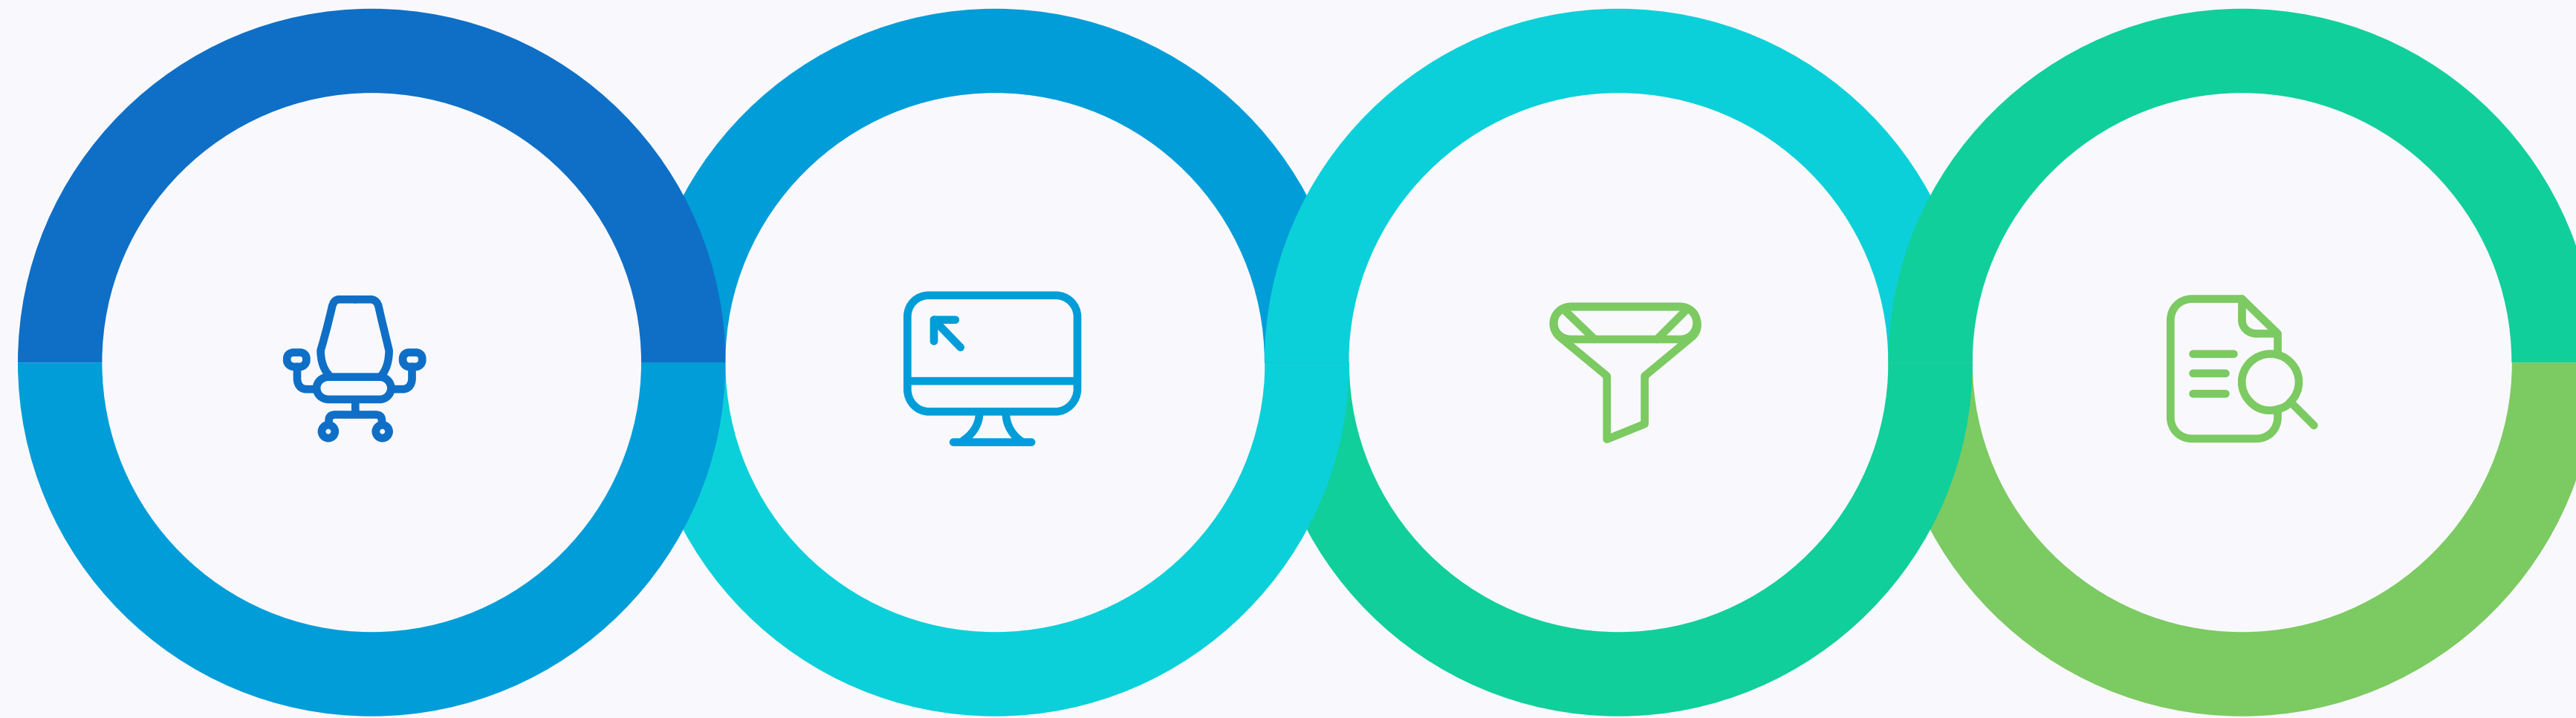

Who We Are

Our team of young, experienced professionals has several years of experience in delivering satisfactory immigration consulting service, helping clients know their eligibility status for the right visa class, getting the most out of the point system and securing both temporary and permanent residence visas with minimum fuss.

We make your immigration to Canada as seamless as possible by proving you with an honest and in-depth analysis of your profile and helping you navigate all the common pitfalls to achieving your visa. Our results speak for themselves as a testament to our dedication to finding solutions to any immigration challenge you may have.

Immigrate to Canada

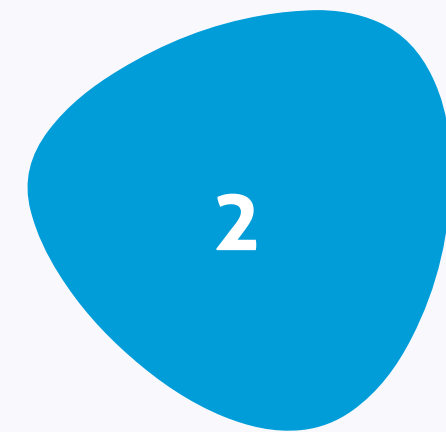

Permanent Residence Roadmap

Evaluation

Before kick-starting your application process, we need to first find out if you're eligible for the Express Entry program. Answer a few questions to see if you meet the minimum requirements.

Consultation

Every application comes with a non-refundable consultation fee of \$50. We charge potential clients a consultation fee for discussing and giving advisory services regarding Canada Immigration, visit, Study, or temporary residency.

Express Entry Profile

Express Entry is a system used by Immigration, Refugees and Citizenship Canada (IRCC) to select candidates for permanent residence to Canada. You'll be ranked in the Express Entry pool using a points-based system. Your score is based on the information in your profile which is not limited to your demographics (age, education background, work experience, language ability and other factors).

Invitation to Apply

Once you have received invite you to apply, you'll have 60 days to submit your application for permanent residence. Completed applications with all the supporting documents will be processed in 6 months or less.

Gathering Document

At this stage of the process, applicants will start gathering required documents for their permanent residence application. We will work with you know ensure you have the right documents for the application.

Permanent Residence Application

This is the final stage of the process. We will submit the application for permanent residence together with required documents and forms. Applicant will be required to pay for the applicable fees and biometrics if applicable.
